Royalties for Regions

Business Development Information Briefing

The Department of Commerce invites small to medium sized businesses in the Peel region to a **FREE Business Development Information Briefing Breakfast** at **Fairbridge Village** on **Thursday, 12 February 2015**.

The briefing will provide local businesses with information about the State and Commonwealth government assistance programs and its approach to supporting regional businesses to access opportunities in Government purchasing, resource projects, agribusiness and tourism.

Topics covered will include industry assistance programs, how to sell to Government and State and Commonwealth policies and guidelines.

Guest speakers include: the Peel Chamber of Commerce and Industry, Department of Industry, Department of Finance and the Small Business Development Corporation. Additional guest speakers are expected to be announced shortly.

Recordings and presenter's slides of previous similar briefings held in Geraldton, Kalgoorlie, Albany, Collie, Mandurah Northam, Karratha and Bunbury are available from the [Department of Commerce website](#).

The feedback from business people in these regions has been positive. Many who attended believe the information was beneficial and relevant to their needs and it provided a valuable networking opportunity.

The briefings are made possible through the State Government's Royalties for Regions program administered by the Department of Regional Development.
