SmartStream Technology	Assist with relocation into the Peel region	\$50,000
Cays Engineering	Development of a paint yard to enable business growth	\$95,000

The Regional Economic Development Grants (RED Grants) program is a State Government initiative that invests in community driven projects to stimulate economic growth and development in regional Western Australia.

These grants support individual projects that promote sustainable jobs, partnerships, productivity, skills and capability, as well as stimulate new investment and industry diversification.

Applications for Round 2 of the funding are currently open and close 13 September 2019.
