

About Oasis

Oasis Watering Services is a trusted local business dedicated to enhancing the greenery and beauty of the community. Specialising in seasonal tree watering, fertilisation, and tube stock watering for natural areas, including traffic management. We combine reliability, efficiency, and a deep understanding of Mandurah to deliver exceptional service to our clients.

- Seasonal tree watering and fertilisation services
- Tube stock watering for natural areas
- Flexibility to accommodate additional watering needs during the season
- Use of GPS-tracked vehicles for precise and accountable operations
- Basic Traffic Management with Main Roads approved TGS

We provide flexible, efficient, and environmentally sustainable watering and fertilisation services tailored to the unique needs of our clients. Our deep local knowledge, reliable service, and commitment to maintaining Mandurah's urban greenery make us the ideal partner for our clients watering requirements.

Our Difference

Oasis Watering Services is the only Mandurah-based business offering specialised watering, fertilisation and basic traffic management services with a fleet of GPS-tracked vehicles and equipment. Our local expertise, proximity, and community engagement ensure an unmatched level of service.

Our Purpose

We are committed to delivering professional and efficient watering, wetting agent, fertilisation and basic traffic management services that enhance Mandurah's urban greenery, meeting our clients' needs while prioritising environmental sustainability and community pride.

Our Vision

To be the leading provider of sustainable watering solutions, creating lush and thriving landscapes that enhance the natural beauty of Mandurah for the community and future generations.

Core Values

Reliability

We pride ourselves on being dependable. Our clients can count on us to provide consistent, high-quality watering services, no matter the time or season. When we commit to a job, we follow through with precision and care.

Honesty

Honesty is at the heart of everything we do. We believe in transparent communication, fair pricing, and ethical business practices. Our clients can trust us to provide honest reporting, assessments and solutions for their watering needs.

Efficiency

We value your time and resources, which is why we are committed to delivering fast, effective, and resource-conscious solutions. Our team is trained to work quickly without compromising on quality, ensuring the watering schedules are completed on time and always running smoothly.

Flexibility

Every customer's needs are unique, and we understand that. Our services are tailored to meet the specific demands of our customers watering requirements and always adapt the watering schedule and requirements to meet changing needs and offering solutions that work.

Experience

With years of industry experience, our team possesses the knowledge and expertise to handle any watering challenge. We combine practical experience with the latest techniques and technologies to ensure top-notch service every time.

Case Studies

City of Mandurah

Oasis Watering Services has successfully partnered with the City of Mandurah over the past three years, delivering expert tree watering solutions to support urban greenery and environmental sustainability. Our strategic scheduling, resource-efficient practices, and collaboration with the City have improved tree vitality, enhanced urban canopy coverage, and contributed to better air quality. With advanced water-efficient technologies, consistent monitoring, and proactive community engagement, we have set a benchmark for sustainable tree care. This partnership highlights our ability to deliver reliable, eco-friendly solutions that support long-term environmental and operational goals for the community.

Falcon Lions Club

Oasis Watering Services proudly partnered with the Falcon Lions Club for the 2024/25 season, donating professional watering services to support local green spaces. This initiative ensured healthy plant growth, enhanced community well-being, and reduced financial strain on the club. By implementing sustainable water management techniques and collaborating closely with stakeholders, we demonstrated our commitment to environmental responsibility and community engagement. This successful partnership underscores our ability to deliver efficient, scalable, and eco-friendly solutions, reinforcing our reputation as a trusted partner for urban and public space maintenance.

Commitment to safety

Oasis Watering Services is committed to providing a safe and healthy workplace, safe working methods and the provision of safe equipment. Workplace health and safety in accordance with Work Health & Safety Act (2020) (WA), relevant standards required and codes of practice is considered to be an integral and vital part of the successful performance of any job Oasis completes. It is a requirement of all Oasis personnel to implement our WHS policy, JSA's and JHA's which clearly state the risks, hazards, PPE required and controls to safely and carry out all works required with the aim that together we can keep the workplace safe, efficient and productive.

Major Client

What our clients say

“

Oasis Watering Services are providing an ongoing watering service on rejuvenated roadside garden beds at the Miami Village. The garden beds were recently re-cultivated and re-planted by the Falcon Lions Club in conjunction with the overall Miami Village Heart mini makeover event held in October 2024. Oasis has provided a consistent watering and fertilisation service that has ensured these beds are thriving despite it being summer. The Falcon Lions Club extends our grateful thanks to Oasis for their generous donation to this Community project.
