VALUES

Safety: Prioritising the wellbeing of our team and customers. Adhering to the highest safety standards.

Integrity: Operating with honesty, transparency, and ethical practices in all interactions and business decisions.

Customer focus: Providing exceptional service, understanding our customers' needs, and exceeding their expectations.

Excellence: Delivering high quality work, precision, professionalism and attention to detail.

Collaboration: Fostering strong teamwork and building lasting partnerships with customers and suppliers to achieve shared success.

Efficiency: Focusing on delivering precise, high-quality work efficiently.

Sustainability: We are committed to reducing our environmental impact. Minimising waste on every work site.

VISION

We are committed to delivering high-level electrical services efficiently, to become the contractor of choice within the Peel Region.

Our vision is to support local infrastructure projects by providing electrical services to residential, commercial, and public developments helping the region grow and modernise.

PURPOSE

Servicing the Peel region, we are committed to deliver safe, reliable, and innovative electrical solutions that power homes, businesses and communities, while prioritising efficiency and customer satisfaction.

Powering your world with precision, reliability and efficiency, backed by expert solutions. Customer service is the core of our business. From the first call to the completion of the job, our focus is providing a seamless, cost-effective, positive experience.

SAFETY COMMITMENTS

- Superior workmanship
- Compliance with regulations
- Timely execution
- Customer satisfaction
- Durability and reliability
- Quality assurance
- Clear upfront pricing

"If you want exceptional service, delivered by skilled electricians, who work as a polite, quiet, tidy team then WA Electrical Enterprises are for you. From my first contact to the completion of the work it was seamless and I have no hesitation giving a five-star rating."

Shelly Bogdan - Private residential property customer

"Dan and the team at WA Electrical Enterprises have carried out many contracts for my construction company and no matter how small or large, the service and commitment is always first class. I would gladly recommend their services to anyone thinking of building or renovating, domestic or commercial."

Stephen Collins - Eclipse Developments

"It was a pleasure to deal with Dan from WA Electrical Enterprises and I can attest to his excellent work ethics and professionalism. He made sure that I was kept up to date as the work progressed and went above and beyond to ensure that I was happy with all work performed. I will definitely be using his services from now on."

Sam De Longis - Private residential property customer
